Kansas has not adopted the latest round of RICE revisions. They look to us to make decisions regarding the RICE related requests such as this one. Thanks

John,

Kansas has not adopted the 2010 amendments but has adopted all other portions of the RICE NESHAP.

Hello David;

I briefed my management on the letter. They wanted to know if the state of Kansas has delegated authority for the RICE regulations.

Hi John,

Do you have an update on the Wamego, KS rebuild engine submittal? The feedback is that our customer has all the necessary permitting from Kansas to proceed and is now only awaiting the outcome of your review of our submittal.

Kevin and I are both in the office tomorrow if you have any further questions.

Please advise,  
Thank you.

-Paul
